ALBION ROAD RECONDITIONING PROJECT

MSA Professional Services, a consulting engineering firm retained by the Town of Albion, is in the process of developing plans for road reconditioning along Albion Road from State Highway 51 to County Road A. The proposed project will consist of pulverization of existing pavement, and placement of new asphalt pavement. You are invited to attend this public information meeting regarding this project.

A quorum of board members may be present at this meeting but no action will be taken. The meeting is to address any questions, concerns, or comments and provide additional information regarding this project. Thanks for your help and I hope to see you there!
