Fire District Report –97 calls for July, One 48-hour two-day period with 14 calls. Several calls were significant, a water rescue on the Yahara River. Joint effort from Edgerton, Milton and Janesville to get everyone out of the river. Working with the DNR to try to prevent further issue. A tree on a house, everything in the end worked out. Responded quickly. Students interns that we use as part of our staffing and educational experience, we have two new interns. The interns are given a project to work on, one is rural driveways. We are trying to preplan some of the longer or more difficult ones to get into. We have gotten a series of donations; we are adding a water boat. Our small boat did not have the power to fight currents on the Yahara.
