Re: PARKING RESTRICTIONS ON TOWN ROADS

The Town Board of the Town of Albion, located in Dane County, Wisconsin, do ordain as follows:

Section 1: The following "Ordinance Re: Parking Restrictions on Town Roads" is hereby adopted.

Section 1.0. Authority. This ordinance is enacted pursuant to the provisions of § 349.13, Wis. Stats., as amended from time to time.

Section 2.0. Adoption of statutory provisions. The restrictions on stopping and parking vehicles found in §§346.50 through 346.55, Wis Stats., are hereby adopted by reference and made part of the article as though fully set forth herein. For the purposes of this article, the definitions of words and phrases contained in Ch. 340, Wis. Stats., are hereby adopted by reference as though fully set forth herein.

Section 3.0. Parking regulated. It shall be unlawful for any person to routinely park, abandon or stop any motorized vehicle, trailer, or any object, on a town road and/or town road right-of way located in the Town of Albion.

Section 4.0. Inoperable and unregistered vehicles. It shall be unlawful for any person to park, abandon or stop any motor vehicle within the right-of-way of a Town road located in the Town of Albion if the vehicle is not operable, except in the case of an emergency as described in Sec. 5 below. It shall also be unlawful for any person to park, abandon or stop any motor vehicle within the right-of-way of any Town road located in the Town of Albion if the vehicle is not properly registered as required by Ch. 341, Wis. Stats.

Section 5.0. Emergencies. Pursuant to §346.50(1)(a), Wis. Stats., vehicles which become disabled while on the road in such a manner or to such an extent that it is impossible to avoid stopping or temporarily leaving the vehicle in the prohibited place may be parked along the right-of-way off the traveled portion of the Town road in a safe and reasonable manner to allow for passage of motor vehicles. No such emergency parking shall continue for longer than 48 hours.

Section 6.0 Manner of parking. In circumstances where temporary parking in the right-of-way is permitted by this ordinance, all such vehicles must be parked completely off of the paved surface of the right-of-way. The graveled shoulder of the right-of-way may be used for parking in those circumstances where parking is permitted by this article. In every case, parking shall be conducted in a manner that does not interfere with traffic on the road, does not obstruct a line of sight for persons traveling on the road observing other areas of pedestrian or vehicle traffic, and does not otherwise create a public safety hazard.
